## EDITOR'S LETTER

**W**elcome to the first Club International themed Paul Raymond Special! And who else could possibly grace these hallowed pages other than Club favourite Sasha Cane! We've somehow managed to cram sixteen bumper photo sets throughout the magazine featuring Sasha in all sorts of locations, from stripping off in the streets of a secret city in Eastern Europe to skinny dipping in the Paul Raymond boss' swimming pool. Oh, she also makes a mean and wicked witch and she'll never do wrong in our eyes every time she dons that sexy nurses outfit (and slowly removes it!).

**W**e're endlessly delighted every time that Sasha rocks up to our photo studio, who wouldn't be? And it seems that on this occasion Sasha was over the moon to see us too, so much so that she bought these socks just because they had little Club logos on them, and she wanted to make us happy. Isn't that sweet? "Well, I also bought them because I love knee high socks. Pair these with a short skirt, some trainers and I'm ready to go out. The only decision I leave to the last minute is whether to wear panties or not Usually it's not." And today? "Oh, today definitely not!"

**Sasha & Valentina**

**H**i boys! Now, I think you all know how much I like cock. But I thought you needed to know how much I like pussy as well! I first met Valentina on a shoot a couple of years ago, and we had a secret fling. But we didn't get photographed together in full flow, and I thought I'd save that for you! I'm not about to become a lesbian. Why do that when I can have the best of both worlds? But there is something special about diving face first into a juicy pussy – well, I'm sure you boys know all about that, if you're playing your cards right! Obviously we can't show you everything here, so check out the website where you can lots of naughty photos of myself and the other Paul Raymond girls.

**Y**ou men are always making fun of us girls for taking so long in the bathroom, so I wanted to share what I really get up to in there! You might think we're taking ages over our make-up or shaving our legs, but we get all that out of the way and then have some fun. Well, I do anyway. I like the steamy atmosphere in a bathroom, it makes me all tingly and horny, and my fingers end up wandering where they shouldn't! Of course, what I like to do most in a bathroom is to share a shower, but there was just little old me on this particular day. Maybe one of you guys could volunteer to scrub my back for me. I'd make it worth your while...

'ts frustrating that lots of shops won't let me get really, really dirty! I know you can buy hardcore magazines in some shops – I buy them sometimes! – but if I did the things I wanted to do, we'd get banned from your friendly local newsagent! Why am I telling you this? Well, I know it's annoying if you haven't got the internet, but I got really carried away at the end of this photoshoot with a dildo. In the end, the photographer almost had to throw water over me to stop me. I couldn't stop fucking myself to orgasm after orgasm. You can see those pictures online – and if you can't, then use your imagination. After all, I was imagining it was one of your lovely real cocks I was using!

**S**o a couple of readers recently asked me if I went topless when on holiday, or if I was a shy girl in real life. Well, this should answer that question for them! Here I am in a lovely Eastern European city that will remain nameless (I don't want to be arrested!) and doing a little bit of public nudity. As you can tell, I wasn't being particularly discreet, so I got seen plenty of times. Cars were honking their horns, groups of guys were wolf-whistling. I loved it! Stripping off in public makes me so, so wet. Knowing that all these people can see my tits and arse is one thing, but flashing them my pussy as well drives me over the edge. Maybe I'll be nude where you live soon!

**W**ith a tan like that, British wonderbabe Sasha has either been on her hols, or at the tanning salon. Confess all... "Both. I went away with the girls for a mad week last month. We needed a bit of winter sun, but I just ended up in bed all week and hardly saw any daylight." Come down with a cold? "Grow up, I was getting fucked. Me and my girls in bikinis getting drunk, how was it not going to end in sex?" We hope you practiced safe sex, Sasha. "Who needs to practice? I'm the master! And it's always safe when they jizz on your tits, isn't it? I'm joking, of course I did. So I got lots of cock but no sun, so I had to hit the salon for a top up when I got back..."

I've been promising you naughty boys and girls that I'd dress in my nurse's outfit for a while, haven't I? Sorry for teasing you for so long. The thing is, every time I put this on, I get out of hand! It's like a charge runs through me and I go sex mad. I just want to treat a bloke like my patient and nurse his cock in my mouth. What could be sexier than a nurse peeling back the sheets and taking your aching hard-on between her lips? I'd smack it against my nipples before deepthroating it. What's that? Your balls ache? I'd better suck them a little then, and then empty their contents straight down my throat. After all, isn't that what the NHS is all about? Well, it certainly would be if I worked there!

Sasha & Lexi

I don't like being sexually frustrated – not one bit! – so if I go out and I don't find a dick to play with, I'll call up one of my sexy girlfriends and get her to come over. Lexi is the one I call up the most, because she's always horny and takes no time to warm up. She arrives dripping wet where it matters! Some girls I fuck are timid and others are more aggressive, and Lexi is definitely in the latter camp. She'll come through the door, push you onto your back, pull your knickers aside and go tongue-first into your

pussy. And she won't come up for air until you've creamed in her mouth. Yep, she's a wild one, alright. She's normally got a new toy to try out as well, whether it's a strap-on or a monster dildo, and she loves me to fuck her with the strap-on while she's got a butt-plug in her arse. If all this makes her sound like a filthy girl, well, you'd be right. Sometimes she'll bring a bloke with her who gets to watch and wank while we fuck, and he can't touch us until we're good and ready. I love Lexi...

CLUB INTERNATIONAL

**H**i boys! I bumped into a couple of readers in a nightclub recently and had a lovely chat. They've bought all the issues of Club with me in, but they very sweetly said they preferred me in the flesh all dolled up for a night out. So I thought that might be a nice idea for a photo shoot (don't worry, I'll get round to all your fantasies eventually!), just

me all ready to go out and have a few drinks with the girls. I'm sorry to say, we get pretty wild after a few vodkas, and things can get messy. Those two readers found out first hand, but they certainly went home happy! I hope you enjoy this shoot – and I'm already booked in for another one too – but keep writing me all your lovely, filthy letters. I can't get enough of them!

I was in New York last year for Halloween, and I was amazed at how seriously those guys take it. The streets were packed with people dressed up. So I thought I'd share the sexy Halloween outfit I bought over there with you. I might not be a real witch, but I definitely have lots of wicked thoughts, and if I visited your door in this outfit, there'd be treats in store, and I'd show you some of my tricks as well. I really hope Halloween gets bigger over here, just so I can dress up and feel up some strangers in the street. Who knows, it could be you I'm casting my spell on. Is that a broomstick, or are you just pleased to see me?

**Sasha & Zara**   
CLUB INTERNATIONAL

I had such a blast doing this shoot for Club's 40th anniversary. How could I not: Champagne, cake and Zara all at the same time – and sometimes in the same mouthful! Spraying fizz all over each other wasn't the only way we got sticky, I can tell you! I'm really proud to be Club's regular girl on such an anniversary, especially considering some of the girls who've gone before me. That's 40 years of the world's fittest women – and little old me, of course! We've got some really cool stuff lined up for this year as well, I love dressing up for you boys, and I love undressing as well. Now, excuse me, but I have to finish eating this cake from Zara's body!

I must confess, I wasn't the perfect student at school. I was too busy chasing the boys and doing things I shouldn't have been doing! But wearing these clothes and wielding a cane, I almost miss being in education, and I'm sure I could teach most of you boys a thing or two. Maybe they wouldn't be on the curriculum, but if you'd stay late I think we could find something to study. I know there's something a little corny about this outfit, but something very sexy too. I love dressing up for sex, especially if there's some role play too. I've got more outfits than I can count, but right now I want you to imagine you're in my class, and you've been a very naughty boy...

**W**ell, I can't believe how many letters I've had recently from your readers. I've barely had time to wank to them all! Some of you boys have got very dirty minds... and I love it! Steve from Suffolk is a bit of a car fanatic, and he wants me to wash his motor for him. Sorry, Steve, I hardly ever have the chance to clean my own banger. And I can't believe your cheeky photographer found out about this and got me to clean his for him for a photo shoot. Anyway, check out my top gear and waxed bonnet and promise to polish your gearstick for me boys...

**N**ow boys, don't panic. I haven't gone and got hitched! I've just had quite a few requests from readers wanting to see me in a wedding dress – I know, don't ask! I wouldn't go for a big frilly affair, dresswise, I'd keep it simple with something like this. After all, if I fancy a quick last minute freedom fuck with the best man, I wouldn't want him to have to lift loads of layers and negotiate a big train in order to get to my pussy and arse! Of course, the best bit of the day would be the party, and I'd make sure I got plenty of champagne down me. In fact, that tees me up perfectly for a nice bath with a glass of the fizzy stuff. Anyone fancy joining me? I can't stay single for ever!

**S**ometimes I like to be a bit of a girly girl and flop around in pink – pink pyjamas, pink lingerie, pink everything. The best things in life are pink – tongues, nipples and pussies. Okay, dicks aren't pink, but they're nice and red when they're hard and straining to cum, and that's close enough! My tastes are pretty simple when I'm masturbating. I'm cool with toys but fingers are best – you can get to exactly the right places. And fingers are so much nicer to suck clean when they get all sticky. I love to do that when I give handjobs as well. I like to lie a guy down on the bed, so I can kneel on the floor with his cock in easy reach. It means he's looking right down at me, and I can give his balls a little suck while I'm doing my work. When he eventually shoots his lovely jizz, I don't stop stroking until every drop is out. By then my hands are coated in it. And that's when I suck and lick them clean, my pink tongue going to work!

**S**asha likes to go deep. And we don't mean diving into the deep end and having a swim. No, whenever she comes into the office or studio, she'll pick up the nearest dildo and make it disappear down her throat pronto. She does it in a way that makes us cross our legs and hide our bulging crotches, and she definitely does it to show off! "Ha, busted!" she giggles. "I can deepthroat anything you throw at me!" Can we throw our cocks at you, then?
